**STATEMENT OF ISSUES TO BE PRESENTED AND DESIGNATION OF
RECORD ON APPEAL OF THE SECOND PRIORITY DEBT REPRESENTATIVES
FROM ORDERS ENTERED BY THE BANKRUPTCY COURT**

Pursuant to Rule 8006 of the Federal Rules of Bankruptcy Procedure, HSBC Bank USA, National Association, as successor Indenture Trustee (the “Second Priority Indenture Trustee”) for the holders of the \$640,000,000 Second Priority Secured Floating Rate Notes due 2010 (the

“Second Priority Notes”) issued by Calpine Generating Company, LLC (“CalGen”) and CalGen Finance Corp. (“CalGen Finance,” and together with CalGen, the “CalGen Debtors”), and The Bank of New York, as successor Administrative Agent (the “Second Priority Administrative Agent,” and together with the Indenture Trustee, the “Second Priority Debt Representatives”) for the holders of \$100,000,000 of Second Priority Secured Institutional Term Loans due 2010 of CalGen (the “Second Priority Term Loans” and, together with the Second Priority Notes, the “Second Priority Debt”), by their undersigned attorneys, submit the following statement of issues to be presented and designation of items for inclusion in the record on appeal in connection with the Notices of Appeal filed by the Second Priority Debt Representatives from the following order of the United States Bankruptcy Court for the Southern District of New York, (the “Bankruptcy Court”):

Memorandum Decision and Order Granting, in Part, Debtors’ Motion for an Order (I) Authorizing Debtors to Obtain Replacement Postpetition Financing to (A) Refinance Existing Postpetition Financing and (B) Repay Prepetition Debt; (II) Allowing Debtors’ Limited Objection to Claims; and (III) Determining Value of Secured Claims entered by the Bankruptcy Court on March 5, 2007. (Docket No. 3875)

STATEMENT OF ISSUES ON APPEAL

1. Did the Bankruptcy Court err in failing to apply the proper measure of damages in determining the claims of the Second Priority Indenture Trustee and the Second Priority Administrative Agent arising out of the Debtors’ breaches of the “no call” and prepayment premium provisions of the indenture governing the Second Priority Notes (the “Second Priority Indenture”) and the loan agreement governing the Second Priority Term Loans (the “Second Priority Term Loan Agreement”)?

2. Where the Debtors sought to prepay the CalGen Second Priority Notes and Second Priority Term Loans in March, 2007, in violation of the provisions of the Second Priority

Indenture and Second Priority Term Loan Agreement which expressly (i) prohibited any prepayment prior to April 1, 2008, and (ii) required payment of a prepayment premium of 3.5% for a prepayment after that date, did the Bankruptcy Court err in limiting the Second Priority Indenture Trustee's and Second Priority Administrative Agent's claims to the 3.5% prepayment premium due for a prepayment after April 1, 2008, and in not granting their claims for the additional damages incurred for the period from the date of the prepayment through April 1, 2008, resulting from the Debtors' prepayment of the CalGen Secured Debt?

3. Where the Second Priority Notes and Second Priority Term Loans were fully secured under a written Security Agreement, did the Bankruptcy Court err in failing to grant the Second Priority Indenture Trustee and Second Priority Administrative Agent secured claims for the prepayment premium and damages resulting from the Debtors' prepayment of the CalGen Secured Debt?

4. Where various of the debtor affiliates of the CalGen Debtors (the "Debtor Guarantors") expressly guaranteed all obligations of the CalGen Debtors under the Second Priority Indenture and Second Priority Term Loan Agreement and the related Security Agreement, did the Bankruptcy Court err in expunging the claims of the Second Priority Indenture Trustee and Second Priority Administrative Agent under such guarantees against the Debtor Guarantors?

5. Where the Second Priority Indenture and Second Priority Term Loan Agreement expressly entitled the Second Priority Indenture Trustee and Second Priority Administrative Agent to indemnification and recovery of all of their fees, costs and expenses (including legal expenses), did the Bankruptcy Court err in limiting the recovery of the fees, costs, expenses and

other indemnification amounts incurred and to be incurred by the Second Priority Indenture Trustee and Second Priority Administrative Agent?

6. Did the Bankruptcy Court err in overruling the objection of the representatives of the CalGen Secured Debt to the prepayment of the secured debt prior to confirmation of a chapter 11 plan?
